

November 1, 2011

Dear valued customer,

SKS is pleased to announce that we have partnered with ExxonMobil on the Passenger Car, Commercial and Industrial business in your area.

ExxonMobil is the largest, most capable supplier in the worldwide lubricants business, and the leader in finished lubricants, synthetics, greases, base oils, and lubricant additives. With an offering of thousands of products and a complete line of technical services ranging from 800 technical support to local industry focus representatives, we're confident that ExxonMobil is the supplier to align with for the future! This level of support and products will allow us to provide cutting edge solutions for our customers, a higher level of customer support, and an increased level of added-value services. While we feel that we provide a quality service to you now, this partnership further demonstrates our commitment to be the best.

SKS is a family owned business and has been serving you, our customers since 1965. We pride ourselves on our relationships that we have developed over several years with our customers. We are pleased to be continuing this relationship with you.

Mobil is an exciting brand that brings many things to the market that allows SKS to help you increase your profitability and efficiency.

We look forward to continuing to serve you as we have done for many customers for over 46 years!

Thank you for the business and **the continued trust that you have put in us over the years.**

Best Regards,

John Kroesche
Co-President SKS, Inc
